

QD N Male to N Female Adapter

RF Adapters Technical Data Sheet

ET1253

2

Configuration

- QD N Male Connector 1
- N Female Connector 2

- 50 Ohms
- Straight Body Geometry

Features

- N interface compliant with MIL-STD-348
- Contact plating according to MIL-G-45204

Applications

General Purpose Test

Gold Plated Contact

Description

Ebeestock's ET12532 QD type N male to type N female adapter is part of our full line of RF components available for same-day shipping. Our type N to type N adapter has a male to female gender configuration.

RF adapters are often used to enable connections between two connector types that would otherwise not mate. Certain adapter configurations can also be used to protect connectors on expensive equipment where the number of connect/disconnect cycles is high. An RF, microwave or millimeter wave adapter is connected to the equipment, and the commonly changed connection is made with the adapter which can be easily replaced when it wears out after high usage; such adapters are referred to as connector savers. Ebeestock also offers bulkhead, panel mount, hermetically sealed, reverse polarity, and isolated ground adapter varieties to serve all of your RF, microwave and millimeter wave needs.

Mechanical Specifications

Size				
Length	1.582 in [40.18 mm]			
Width	0.825 in [20.96 mm]			
Neight 0.103 lbs [46.72 g]				
Type	N Male	N Female		
Polarity	Standard	Standard		
Interface Specification	MIL-STD-348	MIL-STD-348
