

TNC Female Shorting Dust Cap With 4 Inch Chain

Shorts and Caps Technical Data Sheet ET12902

Features

- Protects against dust and contaminants
- Protects against physical damage
- Nickel Plated Body

- Internally Shorted
- Chain Included

Applications

- General Purpose Laboratory Use
- Testand Measurement
- ESD Protection

Description

Ebeestock's ET12902 connector dust cap has a TNC interface and a female gender. Our TNC female dust cap is a shorting design with a nickel plated body to ensure durability. The Ebeestock shorting TNC connector cap comes with a 4 inch chain and is part of over 40,000 RF, microwave and millimeter wave products that ship the same day.

RF connector dust caps are essential for precision connectors, protecting them from dust, corrosion and potential damage especially to test and measurement equipment. Specific RF connector cap models come with a chain to prevent loss or misplacement. Internal short connector cap versions are available to protect equipment from a spike in current caused by electrostatic discharge (ESD).
